

How do I find my engine & transmission strategy?

To find your strategy code. From Gauges, select Exit. Next select Tuning, then select I Accept. Now select Vehicle Info. Turn the key to the on position, and select Ok. The strategy will be displayed as a complete number. The first part is the engine strategy, and the second is the transmission .

Example: STRATEGY CODE 8C3A-14C204-JD 8C3A-14C337-AC

8C3A-14C204-JD 8C3A-14C337-AC
